Fri 26th - Mon 29th Nov 2021
East Sussex

Accommodation Details

The Grade II listed Farmhouse sits at the centre of the estate, featuring 8 large bedrooms, along with multiple bathrooms and en suites and a warm and cosy farmhouse kitchen, where we'll eat our meals as one family.

There are multiple lounges overlooking the valleys and an open fireplace.

Mere seconds away are the luxurious lodge accommodation options for those that wish to indulge in a little more space and comfort.

There are 6 separate 1 or 2 bedroom contemporary rustic lodges, all with log burners, kitchens, lounge areas, and beautiful views.

Surrounding all accommodation there's a sunset patio deck, hot tub, ceremonial firepit and an extensive variety of private, layered gardens, all with panoramic, uninterrupted views of the countryside and its breathtaking rolling valleys for miles all around.

Accommodation Hierarchy

As our retreat filled up so quickly, three additional high-end country lodges have been added to the mix!

There are now three Sister Deluxe options available on our retreat; two comprising of your own floor and another - an entire lodge for one - all for the ultimate opulent experience on your weekend of wonder.

The Pool lodge is adjacent to the Farmhouse, the Garden Lodges are next to the Yoga Barn and the Stable Lodges are by the outdoor hot tub.

All accommodation on-site is located within seconds of each other, in perfect proximity.

So whether you choose the farmhouse or any of the lodges, we will all be seconds from each other and supremely connected.

FAQ ON COVID-19 & USEFUL INFORMATION

I have aimed to answer a few queries you may have around booking retreats during these cosmic and crazy times of great unrest and global awakening!

IF OUR SSC RETREAT GETS CANCELLED DUE TO COVID WILL I LOSE MY DEPOSIT?

I have a great relationship with the farm owner and I have full faith this retreat will go ahead. However, should it get cancelled due to COVID-19 restrictions you will receive a 70% refund and your 30% deposit will be transferable to our SSC retreat in the future.

ARE YOU TAKING EXTRA PRECAUTIONS TO MAKE THE RETREAT AS SAFE AS POSSIBLE?

One of the reasons I chose this venue is because of its vast outdoor space, multiple lounges and luxurious separated accommodation, making social distancing possible if that helps you feel more comfortable.

Our SSC is all about community & closeness - but we understand and respect everyone's stance and choices regarding distancing.

FAQ ON COVID-19 & USEFUL INFORMATION

I have chosen not to fill the venue to capacity so there'll be space in the yoga barn, which we'll keep ventilated.

Our team will also be carrying out extra cleaning procedures daily in and around NHF for ultimate peace of mind.

...above all the noise and conflict of life, remember this:

Our SSC is an inclusive, safe sisterhood.

Let this retreat be a soothing solace from it all, where all beliefs are honoured and all are welcome.
